

SPIDER HOCKEY ACADEMY

Spider Hockey is delighted to launch its new Spider Hockey Academy (West) at The High School of Glasgow, Anniesland.

The Spider Hockey Academy is a season long game improvement plan that consists of a weekly 90-minute-high performance session delivered over 24 weeks of the year.

After a year of virtually no hockey or meaningful matches if any, this programme is designed to be a catch-up extra session that will assist young players to develop and rediscover their core skills and gameplay over the season.

There is nothing virtual about this.

The Programme is for Boys and Girls from Primary 6 through to Secondary 4.
